**HAND-DELIVERED** to Chairman Louis Maxwell's Macon County office.

September 22, 2022

Chairman Louis Maxwell  
Macon County Commission

Chairman Maxwell,

Inasmuch as I have not received a response from you by Sept. 19, 2022, I am again requesting these county business documents.

Under the Alabama Open Records Act and in compliance with Macon County Public Records policy and Alabama Supreme Court rulings pertaining to the County's obligation to provide business documents to the public, I am requesting county documents as related to its fringe benefit policy.

The requested documents, include but not limited to, are Macon County's fringe benefit policy; related work documents; Fair Market Value (FMV) tables used to determine the amount to be withheld from individuals' pay checks; the FMV of the fringe benefit(s) per elected and staff beneficiary; copies of contracts between beneficiaries and Trustees; monthly documents submitted by beneficiaries; monthly evidence of the withholding since Sep 1, 2021; and related federal and state references, electronic links will suffice.

Additionally, I am requesting the identical documents for District 1 Commissioner Miles Robinson for calendar years 2018, 2019 and 2020.

Because this request will not fit on the County Public Records Request Form, I have taken the liberty to attach this written request.

Please have the documents to me at [frank@frankdillman.com](mailto:frank@frankdillman.com) no later than Friday, October 7, 2022.

Best,

Frank Dillman
