HAND-DELIVERED to Chairman Louis Maxwell during Macon County Commission meeting on September 22, 2022

September 22, 2022

Chairman Louis Maxwell
Macon County Commission
Macon County Courthouse
Tuskegee, AL

Dear Chairman Maxwell,

Under the Alabama Open Records Act and Macon County Public Records policy and in compliance with Alabama Supreme Court rulings pertaining to the County's obligation to provide business documents to the public, I am requesting county documents as related to its approved 2022 County Business Licenses.

I am requesting the document to be in an **electronic format** similar to a spreadsheet or database query emailed to me at frank@frankdillman.com, **not a printed version of the electronic format**.

Specific data includes, business name, business owner, and mailing address.

Because this request may not adequately fit on the County Public Records Request Form, I have taken the liberty to attach this written request.

Inasmuch as the county is currently focused on the FY2023 budget, I am affording additional time for receipt of the documents. Please have the electronic file to me at frank@frankdillman.com no later than Friday, October 7, 2022.

Best,

Frank Dillman
