Honorable Luther Strange
Alabama Attorney General
P.O. Box 300152
Montgomery, AL 36130-0152

Dear Honorable Strange,

Mr. Jones of your office suggested on Friday, November 19, 2016, I write you with my concerns of Louis Maxwell, Chairman Macon County Commission being in non-compliance with the Open Records Act of Alabama.

The chairman on two of my requests, one lasting for over a year, is denying me public records and in the third complaint, the received records were not in an electronic format as sought.

County vehicle receiving county paid fuel.

I am being denied the full street addresses where a county vehicle, driven primarily by the chairman, received county purchased fuel with the WEX, Inc. monthly statements showing only an alphanumeric "location" code¹.

Shown on my copy of two of 29 months of WEX, Inc. statements from December 2012 to May 2015, gasoline was purchased on Dec 21, 23, 25, 26 and 31 December 2012. My first request, dated July 13, 2015 is fulfilled and attached to the record². My second³, third⁴ - where I specifically asked for the street addresses of fuel purchases for the WEX, Inc. identified vehicle, "CENTRAL" for ACCOUNT NO 0401-00-835594-3, and my final request⁵, July 1, 2016, when I wrote I would pursue legal action if the request remains unfulfilled beyond two weeks, remains open.

An email from WEX⁶ provides sample forms of what Maxwell either has or should have access to.

Interesting, the only communication written by the county administrator, Susan B. Thomas, was in response to my July 1, 2016 letter when she "you have the only information in regard to gas purchases that we have," on February 8, 2016.⁷ In April 2015, 147 gallons of gasoline and diesel was withdrawn from the county fuel tanks by Maxwell and three of the four commissioners, including one 80-gallon diesel withdrawal for the Office of Macon

¹ WEX, Inc. statements for "CENTRAL" vehicle showing travel during December 2012

² My first letter, July 13, 2015 – fulfilled

³ My second letter, November 19, 2015, to Maxwell specifically asking for WEX, Inc. forms showing street addresses of fuel purchases

⁴ My third letter to Maxwell again asking for street addresses of fuel purchases for the county vehicle he drives dated December 21, 2015

⁵ My final letter of this matter, July 1, 2016, to Maxwell advising I would pursue legal action as necessary for the fuel purchase addresses

⁶ WEX response and sample forms

⁷ County Administrator, Susan Thomas, reply of February 8, 2016

County Commission⁸. My state representative, Pebblin Warren, and my County Commissioner, Robert Berry, both told me the chairman uses the county vehicle to transport people to and from church on Sundays.

Chairman County Commission compensation.

My request for salaries of Maxwell and my commissioner⁹ remains unfulfilled by the chairman.

Request for electronic format.

My request for data in an electronic format for the 2015 county business license owners, their email and street addresses, and amount of paid fees¹⁰ was denied by “we do not have this information in electronic format,”¹¹ Maxwell. His action and response may have had a basis in the fact I had announced my candidacy for Chairman Macon County Commission in March 2016. Scanning, assembling, and creating an electronic file from 41 pages of printed data, of what appears to have originated from an electronic file¹², cost me many hours.

I am pleased to provide additional information as you request, including a large EXCEL file where I attempted to compile both county purchased fuel and withdrawals of county fuel over 29 months, December 2012 to May 2015, on the county commission and chairman, and come to the Office of the Attorney General.

Respectfully,

Frank Dillman, HMC 8404, USN-Ret
