Hand-delivered during public comment Macon County Commission meeting on  
Monday, April 11, 2022

## STATEMENT OF FACTS

April 11, 2022

Edward Huffman  
District 2 Macon County Commissioner  
101 E. Rosa Parks Avenue  
Tuskegee, AL 36083

Dear Commissioner Huffman,

The legal doctrine, Clean Hands, is the principle that always works best for all parties concerned.

You accepted the office of District 2 Commissioner with your Oath of Office on November 14, 2012 to “do solemnly swear or affirm that I will support the Constitution of the United States and the Constitution of the State of Alabama, and that I will faithfully and impartially perform and discharge the duties of the office to which I am about to enter, so help me God.”

As the District 2 County Commissioner, you annually receive county funding for District 1’s Recreation events and maintenance. Monies may be collected for rental of your district recreational facilities.

I hand-delivered the County Public Records Request Form to you on January 10, 2022 and March 14, 2022 for “the authorized amount and expenses of FY 2021 budgeted Dist. 2 Rec. Fund and monies generated by rental of Dist. 2 facilities.”

To date, I have not received your reply.

Previously, I have brought to your attention the Alabama Open Records Act requires government to provide access and copies of government business associated documents to its citizens.

Also previously brought to your attention, the Alabama Supreme Court held because government bears the burden to furnish its document to the public, it is incumbent upon government to provide a justification of denial should the request not be honored.

Therefore, I request you provide me with the requested documents mailed to me at 2273 County Road 54 West, Notasulga, AL 36866 for receipt or a written justification of denial of the records within 7 days of receipt of this letter or otherwise you will be accepting the facts as noted above.

Respectfully requested, reserving all rights, known and unknown
