Dear Honorable Maxwell:

Ref: (a) My December 21, 2015 ltr
(b) Macon County Commission ltr February 8, 2016 from Susan B. Thomas
(c) My March 22, 2016 ltr
(d) Macon County Commission ltr April 11, 2016 from Louis Maxwell, Chairman

Per reference (a) and Alabama State Code, 1975, §41-13-1, §36-12-40, and §36-12-41, I am again requesting the full physical street address, including address number, street, city, and state for the coded locations where fuel was purchased for the "CENTRAL" vehicle using VEHICLE CARD NO's "0002" and "0006", ACCOUNT NO 0401-00-835594-3, from November 30, 2012 to May 28, 2015 for the monthly WEX Vehicle Analysis Reports I received from the county office.

Reference (b), stated "that you have the only information in regard to gas purchases that we have."

According to my correspondence with WEX Inc., the full street address, including address number, street, city, and state corresponding to the specific location codes are available to the county.

Additionally, my request for Business License information, reference (c), also within the preview of Alabama Open Records Act, was acknowledged by reference (d). The data received from your office on June 2, 2016 did not fulfill my request for public records and in my requested format.

To avoid a suit naming the county, you, and others as defendants, I am asking for the data requested by references (a) and (c) to be in my possession within 14 days, no later than Saturday, July 16, 2016.

Moreover, reference (c) specifically requested the data provided me in an electronic format remains unfulfilled. I ask the data to be emailed to me at frank@frankdillman.com as an attachment in either Microsoft EXCEL or Microsoft Access, no later than Saturday, July 16, 2016.

Respectfully,

Frank Dillman
