Honorable Louis Maxwell
Chairman, Macon County Commission
101 E. Rosa Parks Avenue #105
Tuskegee, AL 36083-1735

Dear Honorable Maxwell:

In compliance with Alabama State Code, 1975, §41-13-1, §36-12-40, and §36-12-41, I am again requesting the street mailing address where fuel was purchased for the "CENTRAL" vehicle using VEHICLE CARD NO's "0002" and "0006", ACCOUNT NO 0401-00-835594-3, for the period of November 30, 2012 to May 28, 2015.

This county vehicle was purchased, fueled, and maintained with tax dollars. WEX Inc., a business who manages these two gas cards and generates monthly statements of gasoline purchases and other data for this county vehicle, is also paid with tax dollars.

Therefore, as a taxpayer and resident of Macon County, I am again requesting the street mailing address where the central vehicle was fueled using either of the two mentioned Vehicle Cards for the stated account from November 30 through May 28, 2015, as I have been asking for as early as August 2015, to include the date, time, site address, prompt info, transaction code, odometer reading, product, gallons of fuel, cost per gallon of fuel, and total transaction cost to the county for each transaction as provided in the enclosed sample WEX, Inc. Purchase Activity Report.

Furthermore, I am requesting the public records to be either emailed to me at frank@frankdillman.com or mailed to me at 2273 County Road 54 West, Notasulga, AL 36866 to be received by me by Friday, March 24, 2017.

Respectfully,

Frank Dillman
