**Hand Delivered to Chairman Maxwell** at County Commission July 8, 2019 meeting

July 8, 2019

Chairman Louis Maxwell  
Macon County Commission  
101 E. Rosa Parks Avenue #105  
Tuskegee, AL 36083-1735

Dear Chairman Maxwell,

In accordance with Alabama state law, I am requesting a list of all county vehicles, less those of the Sheriff Department, assigned to a county employee or elected public servant 24 hours a day.

Furthermore, I request the names of employees and elected public servants corresponding to an assigned vehicle, identified with the county's vehicle tag identification, VIN, make and year model, current mileage, and justification for 24-hour access.

In compliance with county policy, I want the cost and layout of data before fulfilling my request.

Please mail the data to me at 2273 County Road 54 West, Notasulga, AL 36866 within two weeks, no later than July 23, 2019.

Respectfully,

Frank Dillman
