Honorable Louis Maxwell
Chairman, Macon County Commission
101 E. Rosa Parks Avenue #105
Tuskegee, AL 36083-1735

Dear Honorable Maxwell:

In accordance with Alabama State Code, 1975, §41-13-1, §36-12-40, and §36-12-41, and within the county's current open records policy, I am requesting an **electronic copy**, not a scanned copy, of the Macon County Community Correction's policy.

The electronic copy should be emailed to me at frank@frankdillman.com.

If the county should not have the Macon County Community Correction's policy in an electronic format, I request the paper copy to include duplex printing.

If more convenient in time and work on the county staff, I offer my time to make a copy of the document with an appointment convenient for the county.

I would like either the electronic or paper copy or an appointment to view and copy the document no later than Friday, August 11, 2017.

Respectfully,

Frank Dillman
