Chairman Louis Maxwell
Macon County Commission

Chairman Maxwell,

Second hand delivered request to Chairman Louis Maxwell during public comment of the April 11, 2022. The first hand-delivered was presented to you at the January 10, 2022 Macon County Commission meeting.

Under the Alabama Open Records Act, I would like the current base salary and the **amount and types** of expense allowances paid by Macon County to the below listed persons.

Furthermore, I would like the IRS codes from accounting for the corresponding types of expense allowances, showing if the allowances are taxable or non-taxable, by payee.

I understand the county has a specific form for such requests, however, there would not be enough space on the form for this request. Therefore, I have used a letter format.

Should this format be unacceptable to your office, please inform me in writing within 3 days of this receipt, or else I would expect the individual dollar amounts by name no later than April 19, 2022 mailed to Frank Dillman, 2273 County Road 54 West, Notasulga, AL 36866.
