Macon County Commission
101 E. Rosa Parks Avenue #105
Tuskegee, AL 36083-1735

Dear Chairman Maxwell,

With your direction prior to the August 18, 2017 continuation meeting that I remove my remote wireless microphone, about the size of a package of cigarettes, from its unimpeded work and view area on the dais, and being denied permission to replace it during public comment, you stated was necessary, I want the ordinance or statute justifying your actions.

This is not the first time that microphone was in that same location during a county government meeting.

Please mail your response to me at 2273 County Road 54 West, Notasulga, AL 36866.

Sincerely,

Frank Dillman
