Case Number 2016-VW-023

Dear Mr. Dillman:

The complaint which you filed against Louis Maxwell has been investigated by Commission investigator Vicki Wilson. The results of that investigation were presented to the members of the Alabama Ethics Commission at their meeting held June 1, 2016. The Commission concluded, upon review of the evidence from the investigation, that there was not probable cause to believe that Louis Maxwell committed a violation of the Alabama Ethics Act. Accordingly, your complaint has been dismissed. Should you provide any additional information that would warrant a reopening of this case, a new investigation would be conducted.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Thomas B. Albritton
Executive Director
