

## SCHOOLS IN SCHOOL IMPROVEMENT

**A** school must meet 100% of its goals in order to make Adequate Yearly Progress (AYP). A school that does not make AYP for two consecutive years in the same component (reading, mathematics, or the additional academic indicator) will be identified for School Improvement Year 1. If the school does not make AYP the next year in the same component, it will move to School Improvement Year 2, etc.

Once in School Improvement, if a school makes one year of AYP in the

same component, it does not advance to the next level of improvement, but retains its current improvement status in the component - also known as the delay provision.

Visit [www.alsde.edu/Accountability/brAccountability.asp](http://www.alsde.edu/Accountability/brAccountability.asp) for a complete list of the status for all schools. Once on the page, under "Select School Year" choose 2011-12 and under "Select Report" choose 2012 Adequate Yearly Progress Status of Schools List.
